Picture 1.

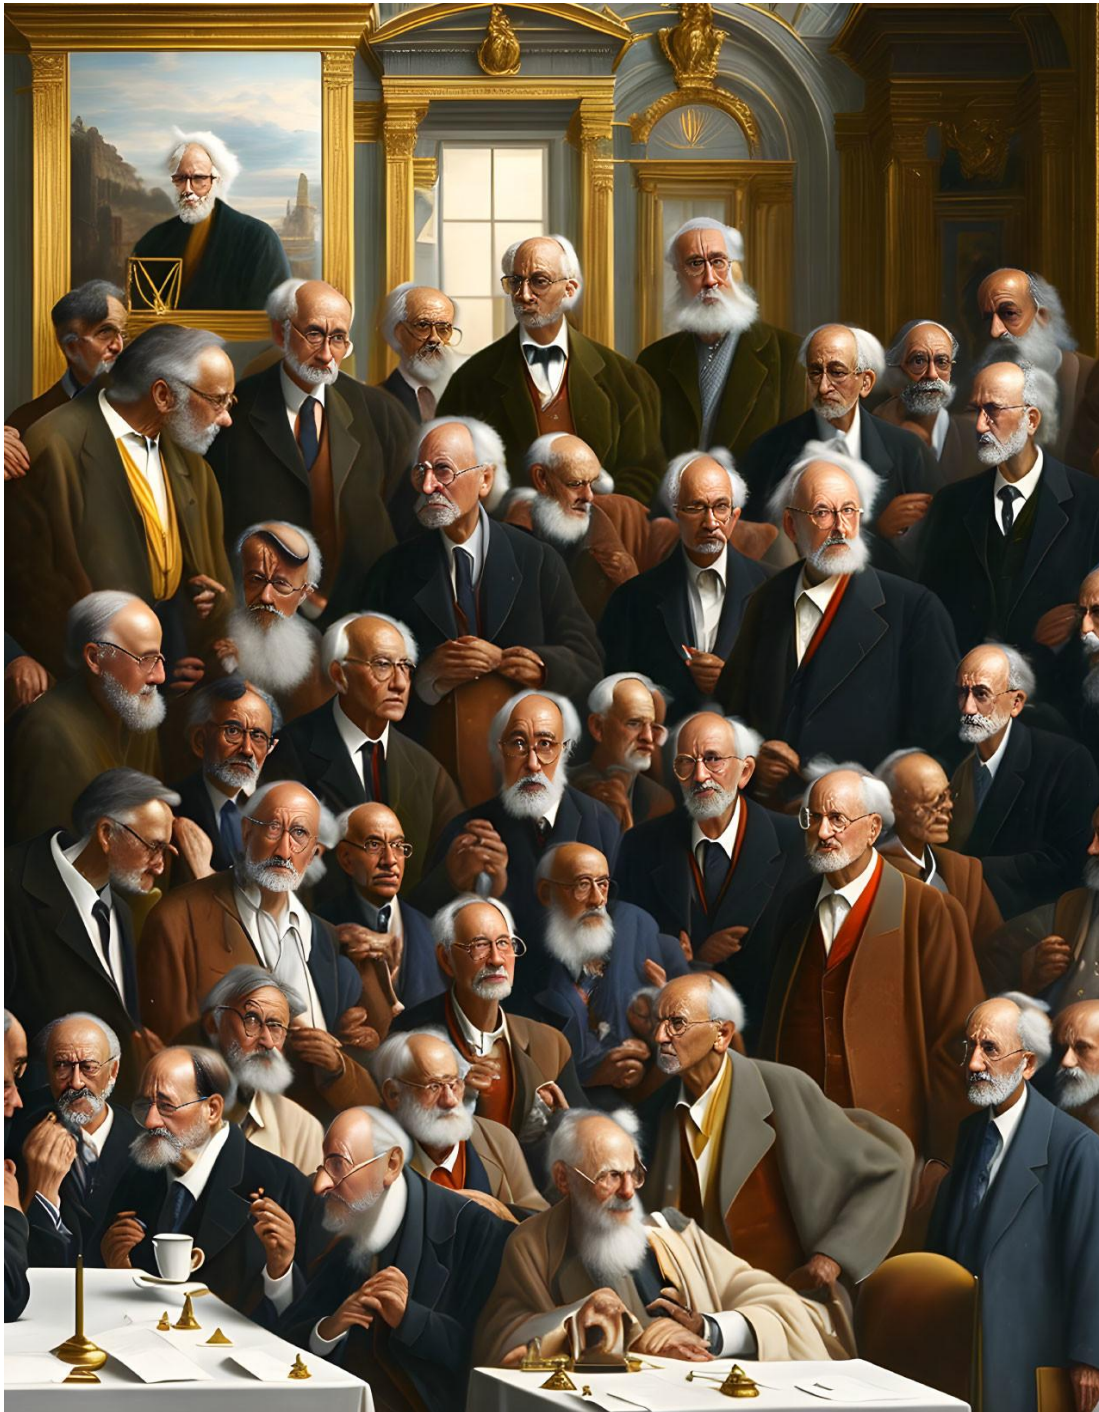

Prompt: Place 20 physics Nobel Prize winners randomly in the picture, while some were sitting on the floor and some were standing and talking with each other.

Picture 2.

Add: The painting style should be like the Renaissance and all physicists are wearing clothes like the philosophers in the famous painting "Scuola di Atene".

Picture 3.

Adjust: Place 20 physics Nobel Prize winners randomly in the picture. Some were sitting on the chair and some were standing and talking with each other while holding a chalk on their hands and writing on the blackboard behind them. The painting style should be like the High Renaissance and all physicists are wearing clothes like the philosophers in the famous painting "The School of Athens".

Picture 4.

Prompt: A future United Nations meeting will be held in outer space.
